## Task

- Just a friendly reminder to please flatten or break up all boxes before recycling them. If the recycling bin is full, please wait until the bin has been emptied.
- Task members: If you are away, sick, etc., you need to contact Donna with the dates you will be away and who will be doing your task.

## How to Submit a Work Request

Send all work orders to:  
maintenance@gardensquare.org  
Include the following:

- Full name
- Full address: including unit number and street name
- Phone number where we can reach you
- Nature of the problem (including photos if you can, the more the better)
- Can we enter if no one is home? Yes? No?
- Keep requests short. Please don't make a big list – instead, please submit multiple requests if needed.
- Permission to enter

We need ALL this information as we often forward the work requests to various trades people that may or may not be familiar.

# Pool

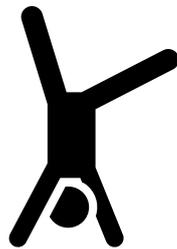

The pool is not working now, but everything is ready to repair it (maybe this week or so). Spring is taking force and the summer season is coming soon, but our pool is still not ready yet. We are having some problems with the pool heater as it started leaking and needs serious attention. The Pool Team is working hard to keep the pool in clean, working condition, by monitoring chemical levels and taking efforts to solve the problem with the heater as soon as possible. The preparation for the replacement of the heater and some re-piping work has already been arranged with all the paperwork completed. As soon as the work is done and the situation with Covid is good, we can start using our pool on a regular basis and enjoy it.

As there has been a long break since our pool has been used, we are reminding all pool users to keep it clean after yourself and for the next members. The pool team only cleans it in the evening; during the day it is the responsibility of all pool users. Together we can do it and Summer will be more pleasant when we can get the opportunity to refresh ourselves in a nice, clean pool.

Thank You.

## Safety Issues

- With the nice weather approaching please remember to slow down in the parking lots, especially in the laneway. I have witnessed a few co-op members flying in and out of the parking lot.
- Parents please remind your children to not climb the trees, fences, or the common room roof (to get their balls), and to not play in the parking lots.
- Please don't litter! We have 2 small garbage cans outside for garbage (one is behind the pool in the grass area and the other is in front of the common room).

## Pets

1. All dogs **MUST** be kept on a leash when outside your home or yard. No dogs will be permitted to run at large. All dogs, when not maintained on a leash, must be retained within the member's own unit or respective yard as per City of Burnaby regulations.
2. No pets, except seeing-eye, hearing-aid or medical-aid dogs will be permitted in the children's play area, laundry room, common room, pool area or other common areas.
3. All owners of cats and dogs must clean up feces **IMMEDIATELY** after the deposit of such by their pets.
4. Pets need to be registered with the City of Burnaby within 30 days of obtaining a pet. All cats and dogs must be registered with the Co-op within seven (7) days of obtaining a pet and/or occupancy with the Co-op.

On behalf of Garden Square Co-op we would like to wish the following kids and members a Happy Birthday:

- Zack (3834) who is turning 12 on April 14
- Isabel (5136) who is turning 13 on April 24
- Daphne (3841) who is turning 12 on May 12

If you would like to have your child(ren)'s name(s) added to the birthday club or would like to share a special occasion, please send Donna an email.
